Well, Sydney, you've finally made it to this. There were times when I thought that I'd never been here since the seventh grade and there had been many times when I wished that I were back but through all those bad times I've had many friends standing beside me and behind me. If

been for Ginny, Judith, Kathy, and all the others I think that I could have made it through the mess. I think that it's all over never to return.

I've had a good freshman year. The teachers are a whole, wonderful. Spanish was a blast and it is fabulous. I can hardly wait until Spanish that was my favorite subject and she is my teacher. I dearly deplore home economics, but I had a good time in there, but Miss C. & me and the feelings are mutual. Algebra, and no one can compare with Mrs. Triplett the sweetest teacher that I have ever had. Always remember her. Mrs. High, at first, is fun but during the second semester, she is I like her as a person, but as a teacher, no health with all my heart, and Miss Br. even try to help us. She should and could go over those chapters before tests. That is what I'm very glad in over. So I've now finished my freshman year and ^{as} I look forward ^(joke) eagerly to Spanish II, Algebra II, English II, history, and biology, I'll always remember I had as a "little green freshman". These years are all I have at this dear old school. Then four years of college — then what? Children? Teaching? Navy?

This year would have been a lot more if it weren't for that mess that I can't forget. I know that I conducted myself

The score is in a key with three flats (B-flat, E-flat, A-flat) and a 3/4 time signature. The notation includes various fingerings (e.g., 1, 2, 3, 4, 5), dynamics (p, cresc.), and articulations (accents, slurs). The score is divided into measures by bar lines, and some measures contain multiple notes with stems. The first system includes a 'p' dynamic and a 'cresc.' marking. The second system includes a 'p' dynamic and a 'cresc.' marking. The third system includes a 'p' dynamic and a 'cresc.' marking. The fourth system includes a 'p' dynamic and a 'cresc.' marking. The fifth system includes a 'p' dynamic and a 'cresc.' marking. The score is marked with 'Red.' and '*' symbols, likely indicating specific performance instructions or recording markers.

The Student Council is the center of school activity. It regulates and supervises the academic life and the extracurricular activities of the school.

The principle project for 1963-64 was to present a scholarship to a deserving senior. One of the most entertaining projects of the school year was the installation of the juke box. The members also had a "Work Day" downtown one Saturday in order to raise money for the scoreboard fund.

Bunny Price worked busily as a "soda jerk" at Caldwell Sundries on Student Work Day.

The Granite Falls Blue Demons baseball team proved to be, perhaps, the best in Granite's history. The Demons completed a perfect season, ending with a 15-0 record. Granite Falls scored a record 41 runs in one game against Gamewell. The only loss suffered by this hardhitting squad was to Perquimans High School in the state play-offs.

Granite Falls placed Jim Thornburg, George Lefevers, and Gilford Poe on the All-Conference list and again on the All-County Team.

"Running Scared"

The Granite Falls High School Blue Demons, led by head coach Don Kirkpatrick, completed their 1963 season with a perfect record. This undefeated season sparked by wins over 3-A Hudson and Southern District Seven power, Hildebran. After overpowering all conference and district foes, the Demons were finally halted in the state play-offs by Applachian High School of Boone.

TRACK TEAM 1963

For the first time in many years, Granite Falls High School boosted a track team. Many boys turned out and were developed into one of the top teams in the conference. Robert Herman led the team in points; Albert Corpening, in the dashes and the broad jump.

The Demon sprinters really made an impression in the conference, finishing the season with a very high rating and an even brighter outlook for next year.

Carolyn Hayes goes up for a rebound.

The Granite Falls Demonettes have seen one of their better seasons this year, improving last year's record greatly. Under the direction of Coach Sinclair Deal, the girls seemed to grow even better as the season progressed, winning many games by good defense and a high scoring offense.

BOYS VARSITY

The Granite Falls High School Blue Demons basketball team was, this year, in a stage of rebuilding. Although the wins were few, all the games were hard fought and sparked by determination. I didn't get to say all I wanted to at the first of the lunch so here is more. I hope you continue to have all the luck you deserve. So far you have done pretty well. With you I know you will go places. Remember you have to work for what you get & it won't just come right to you hand where you can reach out and get it.

When you think about me think about Carl.

Sydney,

The years I have known you have been very rewarding. I think you're a very sweet and cute girl! Sydney, do you remember the day I met you? Teresa and I were walking and saw that you were moving in. We came up and started talking to you. That was the beginning of a wonderful friendship! I hope you like Butch, but even if you don't, you're helping me out by going Sunday night and I appreciate it. Remember all the nights we spend together. We always made a pizza and watched the late show. Unless you were kept busy, you fell asleep. I guess we'll always remember when Roggs disappeared. March 28, you gave me Peppie, who had strayed to your house. He's so sweet! When you think of me, think of Charlie, too. He's the sweetest thing. Sydney, here's wishing the best of luck to a sweet girl who deserves it.
